

# APTLD Update: January 2006

---

Yumi Ohashi  
For APTLD

Tokyo, Japan  
January 2006

# What is APTLD?

---

- Regional Organisation for ccTLD Managers in Asia and the Pacific
- 23 ccTLD managers are members – more to come
- Secretariat based in Wellington, New Zealand

# Activity in 2005

- Meetings
  - AGM at Kyoto, Japan (Feb 05)
  - 2nd Members' and Board Meeting at Singapore (Jul 05).
  - Final Members' and Board meeting at Amman, Jordan (Oct 05)
- Established new groups
  - IDN Committee
  - Technical Forum – to allow ccTLD manager technical staff to share experience and ideas
- Expanding staff support
  - Currently mid-way through process for the appointment of an APTLD General Manager
- Submissions
  - To the WSIS Working Group on Internet Governance
  - To the ccNSO's Policy Development Procedure process on reforming the ccNSO bylaws
- Outreach
  - Training program under development with AIT

# Future Plans

- Expand the content available to members through the APTLD website
- Expand remote participation options for APTLD meetings through better use of Internet technologies
- Commit increased resources to outreach in areas of the region not covered by our next meeting.
- Working with ICANN to develop their plans for greater regional outreach
- Implement plans for AIT (Bangkok) training facility for ccTLD Managers
- Upcoming meetings – March, July, October 2006

# Thank You
