ISOC Workshop Resource Centre

Repository for sharing training materials, planning tools, trainer tools

<http://ws.edu.isoc.org/>

The screenshot shows the homepage of the ISOC Workshop Resource Centre. At the top left is the Internet Society logo. The main header includes the site name and navigation links for Workshops, Materials, Search/Site Map, Calendar, Tools, and Accounts. Below the header, there are links for 'Create Account', 'Recover Password', and 'Login'. The main content area is divided into several sections: 'ISOC Workshop Resource Centre' with a brief description and a list of resources; 'Calendar of Network Events' with a list of upcoming events including ICANN Asia Pacific, QUESTnet2009, and SANOG 14; a search section with a Google Custom Search box; 'Recently Added Materials' listing documents like 'Super Subnetting Example Final'; 'Recently Added or Updated Network Events' listing events like AfrNIC 11 and PacNOG 6; and 'Site Statistics' showing 442 workshop entries and 1214 items available for download. The footer contains information about hosting and development by the University of Oregon and the National Science Foundation.
