

Internet History Museum Activity & History of AP*'s

22, Aug, 2005

AP* Retreat @ Taipei

Atsushi ENDO

endo@jprs.co.jp

Why Now?

- **Over 10 years have past since the spread of the Internet**
 - Acceptation of Commercial use (around 1991-)
 - Popularization of WWW (1993-)
- **10 years have past since the birth of APNG (Asia Pacific Networking Group)**
 - APCCIRN (Asia Pacific Committee for Inter-Continental Research Networking) was re-organized on 1994 and became APNG.
- **“Next Generation” who are very familiar with the Internet from their childhood become a member of the society. They will be bring new point of view to us.**

Objectives of the Activity

- **Recording of the Pioneers' efforts as "History"**
- **Archive the Internet History. For example, "First E-Mail "**
- **Sharing the Internet related history of each country/economy as "property" with whole Asia Pacific Internet community**
- **Learned Pioneers' activity and to help creating the new idea to enrich the Internet.**
